THE DIRECTOR OF
CENTRAL INTELLIGENCE

2 July 1986

National Intelligence Council

NOTE TO: NIO/S&T
NIO/SP

FROM: VC/NIC

I would like to ensure that you both coordinate fully from early planning to final text on papers we do this year on new technologies and strategic breakthroughs, especially dealing with

--stealth
--lasers
--particle beam weapons.

As you know, the Director is especially interested in these topics.
